Ah, apologies...

I didn't know you were un-dressed...

ピシャーン

Well, that's because I didn't tell you.

All I said was: "Come in when the time is right!"

Yes... And the time was certainly **not** right...

Your coat is so heavy!

That's because I'm so tall.

I didn't want to keep you waiting...

You don't say "Enter!"...

Without at least putting a bathrobe on. Or anything at all!

You told me to come in because you had something to ask, right?

What question?

We'll talk about your **question** later...

Get dressed first. And do your hair...

Indeed...

Ah...

A question...

I wanted you to tell me what to wear today.

I'm doing nothing of the sort!

Hmph...

すぅ

It's a sickness, when you poke at me, I lose my voice.

Is anybody theeere?

Hello?
